ABSTRACT

This research objective was to identify the English teachers difficulties in implementing curriculum 2013 and to know the teacher solution in solving the difficulties. The subject of this research were English teachers of SMP Negeri 9 Purwokerto and English teachers of SMP Negeri 2 Sumbang. The number of teachers was 4. The type of this research was Qualitative Research. This research used three kinds of methods to collect the data; observation, questionnaire and interview. Based on the data analysis, the average of questionnaire's result was 87,5 %. It showed that most of teachers gave negative responses. It was concluded that the implementation of 2013 Curriculum was not implemented maximally. All English teachers being interviewed said that the teaching learning process did not run as well. The English teachers' overcome the difficulties by applying learning model which a suits the class in order to increase student motivation and using printed images (props) to support the teaching and learning process.

Key Words: Teacher's Difficulties, Implementing Curriculum 2013.
